

OPERATION

SAFE DRIVER WEEK | JULY 7-13

State and local law enforcement are working with the Commercial Vehicle Safety Alliance (CVSA) and the motor carrier industry to reduce crashes, injuries and fatalities on our roadways. This year's focus is **reckless, careless and dangerous driving**. Summertime means busy roadways - let's all do our part to ensure safe travels for everyone!

TIPS FOR BEING A CAREFUL & MINDFUL DRIVER

Avoid distractions - especially from mobile devices

Adhere to posted speed limits and other road signs

Never drink alcohol or use addictive substances

Be aware of your surroundings, manage safe distances and pass with caution

Adapt driving to road and weather conditions

Keep tempers and emotions in check to fend off road rage
